## 10K, 5K & Kids All-Abilities Fun Race

Quarry Lakes, October 13, 2018

Dear Community Member,

Do It For Delaney is a community event for runners, walkers, families and friends to help special needs children. Do It For Delaney was originally created to raise funds for uncovered therapy costs for Delaney Thomas. Delaney was born with an extremely rare genetic CASK gene duplication resulting in microcephaly and cerebral palsy. Due to the community's overwhelming support, Do It For Delaney has turned into a much larger event helping special needs children and their families.

On October 13, 2018, we are holding our 6<sup>th</sup> annual "Do It for Delaney" 10K, 5K & Kids All-Abilities Fun Race at Quarry Lakes Regional Park in Fremont. We are excited to announce that Conductiva, a conductive education learning program, Friends of Children with Special Needs, a Bay Area resource for special needs families, and The Parker Lee Project, supporting medically dependent children will also benefit from Do It For Delaney 2018.

**We invite you to be a part of our community as an In-Kind Sponsor for DO IT FOR DELANEY 2018.** We are looking for local businesses to donate food, water and prizes for our participants. We're expecting 500 runners and spectators to attend our event. Any amount you can donate in food, water, or gift cards would be very much appreciated.

We believe your business will benefit from the community goodwill generated by your donation to our event.

Sincerely,

*Do It For Delaney 2018 Event Committee*
