

10K, 5K & Kids All-Abilities Fun Race

Quarry Lakes, October 19, 2019

Dear Community Member,

Do It For Delaney is a community event for runners, walkers, families and friends to help special needs children. Do It For Delaney was originally created to raise funds for uncovered therapy costs for Delaney Thomas. Delaney was born with an extremely rare genetic CASK gene duplication resulting in microcephaly and cerebral palsy. Due to the community's overwhelming support, Do It For Delaney has turned into a much larger event helping special needs children and their families.

On October 19, 2019, we are holding our 7th annual "Do It for Delaney" 10K, 5K and Kids All-Abilities Fun Race at Quarry Lakes Regional Park in Fremont. We are excited to announce that Conductiva, a conductive education learning program, Friends of Children with Special Needs, a Bay Area resource for special needs families, and The Parker Lee Project, supporting medically dependent children will also benefit from Do It For Delaney 2019.

We invite you to be a part of our community as a sponsor for DO IT FOR DELANEY 2019. We're expecting 500 runners and spectators to attend our event. Please consider one of the following sponsor levels:
